Our Guiding Principles

1Love Awakening Soul Community

1LoveAwakening is a faith-based, charitable organization, guided by a Board of Trustees we call our Leadership Council. Founded by Rev.'s Steph & Tammy St. Amand for the purpose of supporting the journey of awakening to humanity's spiritual magnificence. With a singular mission to serve love, Steph & Tammy birthed the idea of a virtual community with conscious contemplation, intention, visioning, and prayer. These are our guiding principles.

Our Guiding Principles

*Start
with Why*

Our Vision is

Awakening Humans,
Awakening Humanity

Our Mission is

to provide Spiritual
Nourishment for the Heart,
Mind, and Soul

Our Purpose is

Bridging hearts, awakening
minds, transforming lives.

The Circle Is Complete

"The Science of Mind - Page 513

Ernest Holmes

The Circle of Love is Complete.

It comprehends all, includes all, and binds all together with cords of Everlasting Unity. I cannot depart from Its Presence nor wander from Its care.

My Love is complete within me.

Tao Te Ching

Chapter 34

The great Tao flows everywhere.
All things are born from it,
yet it doesn't create them.
It pours itself into its work,
yet it makes no claim.
It nourishes infinite worlds,
yet it doesn't hold onto them.

Since it is merged with all things
and hidden in their hearts,
it can be called humble.
Since all things vanish into it
and it alone endures,
it can be called great.
It isn't aware of its greatness;
Thus it is truly great.

Our Guiding Principles

Our Values.
Love & Connection

We exist to bring people together, to "walk each other home".

We provide opportunities, both virtually and in-person, for soul community connection.

@1LoveAwakening

Our Guiding Principles

Peace

We exist to be a peaceful presence in our lives and in the lives of others. We exist to be a ripple of peace.

We teach others to access the peace that is already present within them through contemplative studies and spiritual practice.

@1LoveAwakening

Our Guiding Principles

Joy

We exude radical joy, recognizing that God is in the sticky and the sweet.

We model a joyful life.

@1LoveAwakening

Our Guiding Principles

Beauty

We see the beauty in all beings and bask in the beauty of the Earth, our Mother.

We express creativity, artistry, and connection to natural surroundings in our programming.

@1LoveAwakening

Our Guiding Principles

Higher Self

We are empowered to seek communion with our Higher Self, and trust in the wisdom of our soul.

We encourage deep inquiry and connection with our Higher Self through meditation, visioning, intuition, contemplation, and prayer.

@1LoveAwakening

Freedom

We are born free and are free to evolve. The only limitations we have are those we set upon ourselves.

We model and teach the individual freedom to create one's experience through the Law of Mind.

Compassion

We love first, ask questions later.
We recognize that none of us are
free until all of us are free.

We listen with a willingness to be
changed by what we hear. We love
unconditionally. We pray to know the
highest truth for each person. We
recognize the Divine Light in all.

Our Guiding Principles

Oneness

We believe that all life is the Life of the Beloved.

We are compelled, as awakening humans, to awaken humanity to the One Life that is all.

@1LoveAwakening

Inner Journey

We create a safe and sacred space, both virtually and in-person, to explore our humanity and deepen our spirituality.

We honour the seeker in each soul and celebrate the continued growth and evolution of an aspiring soul.

Authenticity & Vulnerability

We are real, raw, and true humans. We ask for help. We forgive, and seek forgiveness. We make amends.

We speak, act, and live from the truth of who we are. We show we are Spirit by our Love.

Our Guiding Principles

We are clear in our promises and expectations. We do what we say we will do. We are who we say we are. We are open and transparent in all we do.

We do what we say we will do. We are transparent in our business policies and practices, and endeavour to treat each person the way we would want to be treated.

Faith

We deeply trust in the wisdom of the "still, small voice within", knowing unconditionally that it comes from the Divine Presence within all life. Our path is illuminated, one step at a time.

**We are led by Spirit, always,
in every way.**
